## Sunflower County Consolidated School District

## **FUND RAISING ACTIVITIES REQUEST FORM**

The Board of Trustees of the Sunflower County Consolidated School District strongly discourages students or members of student organizations from seeking donations door-to-door or calling upon businesses in a repeated manner during a given school year. Therefore, all fund-raising activities must be approved through the school principal and then approved by the SCCSD Board of Trustees. All fund-raising activities should fully disclose the percentage of sale that will be paid to the school.
